

## Kitten Wellness Package

Kittens are very susceptible to viral and bacterial infection. To prevent these infections and get your kitten off to a healthy start, we offer a complete wellness package. This package includes:

<u>8 Weeks</u>	<u>9 Weeks</u>	<u>12 Weeks</u>	<u>16 Weeks</u>	<u>20 Weeks</u>
Exam	FELV/FIV test	Recheck Exam	Recheck Exam	Recheck Exam
FVRCP Vaccine	FELV Vaccine	FVRCP Vaccine	FVRCP Vaccine	Rabies Vaccine
Revolution		FELV Vaccine	Fecal Exam	Microchip (@ Spay/Neuter)
		Revolution		Bloodwork (11pt & PCV)

The total for all these items independently would be \$527.00. We offer this package at a 20% discount to make it **\$420.00**. Also, you receive a 15% discount off the price of spaying or neutering. This package is to be utilized before the end of the kitten's first year of life. It does not include any medications or other treatments or diagnostic testing that may be needed. The package is non-transferable if the pet is given or sold to another party.
